**12-MAY-2005**

**SUBJECT: ON Semiconductor Product Bulletin #14077**

**TITLE: NCP582 and NCP583 Change the Suffix from "T1" to "T2" for SOT563 Package**

**EFFECTIVE DATE: 12-May-2005**

**AFFECTED PRODUCT DIVISION: Analog Products**

**FOR ANY QUESTIONS CONCERNING THIS NOTIFICATION:**

Contact your local ON Semiconductor sales office or Beatriz Lofts <FFBGFX@onsemi.com>

**NOTIFICATION TYPE:**

ON Semiconductor considers this change approved unless specific conditions of acceptance are provided in writing. To do so, contact your local ON Semiconductor sales office.

**DESCRIPTION AND PURPOSE:**

ON Semiconductor has identified a mis-match issue with the actual product tape and reel suffix versus the product tape specification (BRD8011) for the SOT563 package of NCP582 and NCP583 devices. A different suffix "T2" should be used instead of "T1" in order to match the actual tape orientation and the tape & reel specification. We apologize for any inconvenience that this has caused.

**AFFECTED DEVICE LIST(WITHOUT SPECIALS):**

**PART**

NCP582DXV15T1G  
NCP582DXV18T1G  
NCP582DXV25T1G
