2018 FRENCH BENEFITS SUMMARY

Employees are eligible for most benefits programs on the first day of employment.

Bank Holidays: 13 days paid holidays per year. In addition ON Semiconductor designates 2 days of holiday per year before or after a bank holiday.

Vacation: 5 weeks per year (25 days for a full time employee) acquired during a previous period and based on 2.08 days a month. In addition, as of 1 year service for exempt and 5 year service for non exempt, employees are entitled to seniority days (from 1 to 4 days/year depending on seniority and exempt or non exempt position).

Retirement:

Pension Plan: Each employee is beneficiary of a pension plan. Contributions are paid through payroll by the employee (40%) and by ON Semiconductor (60%). The total contribution is 7.75% on slice A (3311€ for 2018) and 20.55% for the salary above slice A.

Saving Plan (abondement) - After 3 months of employment employees can save money each month through payroll. ON Semiconductor increases the saved capital as following: 140% up to 1300€ and 50% from 1301€ up to 3936€ saved by the employee per year (max employer contribution of 3138€/year for 2018).

Healthcare: Comprehensive healthcare benefits are available for the employee, spouse, domestic partner, and dependent children.

- The French Social Security takes in charge 70% of the main expenses of health, prescription drugs, dental, vision, surgery, healthcare, hospitalization.
- For the remaining amount (30%) and other medical expenses which are not taken in charge by the Social Security, ON subscribes, for each employee a healthcare Plan with GAN.
- GAN (private insurance) completes the coverage until a fixed amount for each item. The subscription to NOVALIS is mandatory. The contributions are paid 60% by the company and 40% by the employee.

Disability/Life Insurance:

Disability - The Social Security takes in charge 50% of the salary until a ceiling (slice A = 3311 € for 2018) for a max of 3 years.

- After one year of seniority, ON Semiconductor pays the difference during 3 months minimum and 6 months maximum (depends on seniority). During this period the employee receives 100% of his salary.
- After this period, once the indemnity is no longer 100%, Novalis is completing the salary (on top of the Social Security) to min 75% and max 90% of the salary. The % depends on the number of children, a work or non-work related accident or maternity leave.
- For long term disability (after 3 years), the employee is paid by the Social Security. On top of this, Novalis is paying a % of the salary. The payout % depends on the type of disability

Basic Life Insurance - Insured by GAN and paid by ON Semiconductor and by the employee through the pay slip. In the event of death, the beneficiary (chosen by the employee when he subscribes) receives a capital or a widowhood pension. The amount is based on the gross salary and different formulas can be chosen from (lump sum or lump sum + educational annuity).

Worldwide Accident Insurance (ACE): applicable in case an accident occurs during a business trip

- Lump sum of 3x salary payable in the event of accidental death (limit 1.000.000$)
- Lump sum between 25% & 100% of the lump sum paid out in case of accidental death, in the event of accidental permanent disability

This insurance is paid for 100% by the employer.

13th month - The annual salary is paid in 13 times. The 13th month is paid as following: ¼ in June and the balance in November.
Cafeteria and meal vouchers - Toulouse employees have access to the cafeteria. ON Semiconductor bears a part of the cost of the meal. The employees of Vélizy receive one meal voucher per working day. ON Semiconductor bears 60% of the cost of the meal vouchers (total value = 8.80€).

Works Council: The works council proposes and participates in the financing of social and cultural activities.

Company car: The employees with a salary grade 15 and above are eligible to a company car. Sales employees in the following positions are eligible as well: field application engineers, field sales engineers, field application system engineers, sales account managers, global account managers, sales directors and VP sales. The lease budget is available in the EMEA car policy.

Fuel Card: Employees with a company car are entitled to a fuel card. The fuel card can only be used in France and the surrounding countries.

Commuting allowance: employees without company car/fuel card are eligible for a commuting allowance for public transport and/or commuting by bike.

Bonus: Employees (non-sales) as of grade 11 are eligible to the corporate bonus program. The target payout is a % of the base salary and linked to the pay grade.
