Acquired:

**SANYO Semiconductor**
- **New Products:** Microcontrollers, Motor Drivers, Audio/Video, Power Modules
- **Existing Product Enhancements:** Power Management, ASICs, Memory, MOSFETs, IGBTs

**Cypress Image Sensor Business Unit**
- **New Products:** CMOS Image Sensors

**Sound Design Technologies**
- **Existing Product Enhancements:** ULP DSP, High Density Interconnect Technologies

**California Micro Devices**
- **Existing Product Enhancements:** ESD Protection, EMI Filters, Interfaces, Power Management

**AMI Semiconductor**
- **New Products:** HV ASICs for Automotive Applications, ULP SRAM Memory, LIN & CAN Transceivers, Low Power RF Transceivers, Stepper Motor Drivers, Audio DSP Systems, Power-over-Ethernet, Industrial Process Automation
- **Existing Product Enhancements:** Clocks & Timers, High Side Drivers

**ADI Voltage Regulation & Thermal Management Group**
- **New Products:** Multiphase Controllers, Drivers, Thermal Management Devices

**LSI Logic Gresham, Oregon Design & Manufacturing Facility**
- **Focus:** Process Technology & Packaging

**Cherry Semiconductor**
- **New Products:** Multiphase Controllers, Drivers, Automotive/Industrial Power Management, Automotive ASSPs

**Truesense Imaging, Inc.**
- **New Products:** CMOS Image Sensors, Image Processors

**Catalyst Semiconductor**
- **New Products:** Digital Potentiometers, I/O Expanders, EEPROM/NVRAM
- **Existing Product Enhancements:** LED Drivers, DC-DC Converters, LDO & Linear Regulators, Voltage Supervisors, Temperature Sensors

**AMI Semiconductor**
- **New Products:** HV ASICs for Automotive Applications, ULP SRAM Memory, LIN & CAN Transceivers, Low Power RF Transceivers, Stepper Motor Drivers, Audio DSP Systems, Power-over-Ethernet, Industrial Process Automation

**LSI Logic Gresham, Oregon Design & Manufacturing Facility**
- **Focus:** Process Technology & Packaging

**Cherry Semiconductor**
- **New Products:** Multiphase Controllers, Drivers, Automotive/Industrial Power Management, Automotive ASSPs

**Spin-off from Motorola**
- **Products:** Analog ICs, Standard & Advanced Logic ICs, Discrete Small Signal & Power Components
