

**TO: Valued Customers and Channel Partners of Sanyo
Component Europe, Semiconductor Division**

**SUBJ: Upcoming EDI changes relating to ON Semiconductor and
Sanyo Component Europe, Semiconductor Division Integration**

DATE: November 2010

Dear Customer,

The integration of ON Semiconductor and Sanyo Component Europe (SCE), Semiconductor Division (Europe Region ONLY) is proceeding as planned and going well. We have a team of individuals dedicated to integrating SCE, Semiconductor Division's existing Electronic Data Interchange (EDI) trading partners into ON Semiconductor systems.

Our cutover and integration date for all customers is scheduled for **Monday January 31st 2011.** For all existing ON Semiconductor EDI Trading Partners, please read below for basic steps and instructions.

Existing ON Semiconductor Trading Partners

What do existing ON Semiconductor EDI Trading Partners need to know about the upcoming SCE, Semiconductor Division (Europe Region ONLY) integration; what will we need you to do in support of our integration?

- No connectivity changes.
- No testing is planned unless requested by the Trading Partner.
- **Vendor Code/Approved Vendor List/Purchase Order** changes are required to point EDI data for SCE, Semiconductor Division (Europe Region ONLY) part numbers to the existing ON Semiconductor connection starting **Monday January 31st 2011.**

Your help and involvement in our integration efforts is critical to our success. If there are any issues that you can predict from your side with the stated actions and timing of our integration, please contact us immediately.

Thank you and Best Regards,
