

Product Discontinuance Notification

Document # : PD22592X

Issue Date: 6 February 2019

Title of Change:	Discontinuation Notification for Contact Image Sensor Modules
Last Time Buy Date:	28 June 2019
Last Ship Date:	27 December 2019
Contact information:	Richard Dolan < Richard.Dolan@onsemi.com > +14085421065
Type of notification:	Product End-of-Life Notification

Description and Purpose:

Certain Contact Image Sensor Modules are no longer meeting ON Semiconductor's business requirements, which has resulted in the decision to discontinue these products.

ON Semiconductor has decided to exit the business of certain contact image sensor modules and we have licensed these products to our former subcontractor for these devices, Pixon Technologies. The licensing agreement between ON Semiconductor and Pixon Technologies prohibits ON Semiconductor from selling the devices listed in this Product Discontinuance Notice beyond June 28, 2019. We therefore wish to notify you promptly of our intent to exit this portion of our overall portfolio so that you may plan appropriately and effectively for the transition to Pixon Technologies as your new supplier for the impacted devices. Please refer to the Important Note, below.

IMPORTANT NOTE: ON Semiconductor has licensed these products to Pixon Technologies Corporation. Over the timeline of this product discontinuance, ON will enable Pixon to build these same products. The licensing agreement between ON Semiconductor and Pixon Technologies limits ON Semiconductor from receiving orders for the devices listed in this Product Discontinuance Notice beyond June 28, 2019. Because these products will be produced by Pixon, ON Semiconductor does not guarantee or warrant in any way, shape or form the products delivered by Pixon.

If interested Pixon can be contacted at:

Pixon Technologies Corporation
