NOTIFICATION TYPE:

Final Product/Process Change Notification (FPCN)

Final change notification sent to customers. FPCNs are issued at least 90 days prior to implementation of the change.

ON Semiconductor will consider this change approved unless specific conditions of acceptance are provided in writing within 30 days of receipt of this notice. To do so, contact <quality@onsemi.com>.

DESCRIPTION AND PURPOSE:

UTAC Singapore has consolidated operations to a single site in Singapore. All final test, post final test inspection, bake, pack and ship operations have moved from 2 Ang Mo Kio Street 63 Ang Mo Kio Industrial Park 3 Singapore 569111 to 5 Serangoon North Ave 5, Singapore 554916, effective date was 5/31/2014. All equipment affected by the site move will be subjected to UTAC's internal procedures for equipment calibration, ESD compliance and qualification. The move will merge all operations to a common building and will improve efficiency and over all cycle time, as product will no longer shift from one site to another for final processing. The Serangoon facility is UTAC's corporate office location and continues to be the assembly site location for products manufactured in Singapore.

RELIABILITY DATA SUMMARY: NA**ELECTRICAL CHARACTERISTIC SUMMARY:**

Electrical characterization reports will be sent to customers impacted by final test site move.

CHANGED PART IDENTIFICATION: NA**List of affected Part:**
