For IR filter use with F-Mount Adaptor

For IR filter use with C-Mount Adaptor

NOTE: Filter Holder cannot be used with CS Adaptor

C or CS assembly

(4) 3/8" Screws

C-Mount Adaptor

(3) 0-80 machine screws

IR Cut Filter

Filter holder

Lens Mount Spacer

Imager PCB

(4) 3/8" Screws

*** If a CS mount is desired flip over the C mount adaptor and install on the spacer

*** CAUTION do not over tighten screws.

F-Mount Assembly

(4) 1/2" Screws

F-Mount Adaptor

Filter holder

(3) 1/4" Screws

IR Cut Filter

(3) 0-80 machine screws

Lens Mount Spacer

Imager PCB

(4) 3/8" Screws

*** CAUTION do not over tighten screws.
