DESCRIPTION AND PURPOSE

In response to requests by customers, we are pleased to be able to extend the fabrication of our sole source JFET products. For the JFET devices listed in this EOL announcement, the last order date will be extended to September 29, 2000, with the last shipment date of September 28, 2001. As such, the dates in this PCN will supersede the timeline provided in PCN #10127 for these devices. We hope this extension of the last Buy date and last Ship date will help you, and we sincerely apologize for any trouble that the two previous PCN's (PCN10109 and PCN10127) may have caused you.
