**FOR ANY QUESTIONS CONCERNING THIS NOTIFICATION:**

Contact Sales Office or Mark Wasilewski <RYGF20@onsemi.com>

**DISCLAIMER:**

Initial Product/Process Change Notification (IPCEN) -First Notification distributed to customers. Distributed at least 120 days from the effective date of the change.

Final Product/Process Change Notification (FPCEN) -Final Notification completing the notification process. Distributed at least 60 days from the effective date of the change. ON Semiconductor will consider this change approved unless specific conditions of acceptance are provided in writing within 30 days of receipt of this notice. To do so, contact your local ON Semiconductor Sales Office.

**DESCRIPTION AND PURPOSE:**

On May 9, 2002, the Standard Components Business Unit (SCBU) of ON Semiconductor issued Product Discontinuance Notice #12434 on a variety of devices that had extremely low sales in the past 2 consecutive years. Since that issuance, ON Semiconductor has received customer input on a few of those devices that Design-ins were in process that would justify continued support. This customer input centered on a few of the Tape & Reel versions of our popular SOIC and TSSOP packages. In a proactive step toward customer satisfaction, ON Semiconductor is pleased to announce that we are removing the End of Life status on all of the 46 Tape and Reel SOIC and TSSOP devices on the prior Product Discontinuance and are committing to continuing support of all customer demands on these devices.

**Update Notification #12467**

**AFFECTED DEVICE LIST (WITHOUT SPECIALS)**
