Description and Purpose:	<p>The LC898123F40XC-VH datasheet is being updated to support both AF (Autofocus) and OIS (Optical Image Stabilization) functions. This product has AF and OIS function capability. Current datasheet only describes AF functionality because OIS functionality had not yet been released at time of publication. OIS functionality has now been released.</p>		
List of affected Standard Parts:	<p>LC898123F40XC-VH</p>
