MyON Login

We are happy to offer access to all public information on ON Semiconductor's site subject to the conditions identified in our 'Terms of Use'. You are required to login to place orders and to access secure information.

Login

Login ID:

Password:

Remember my login

[Forgot Password](#)

Register

As a registered user, you now have access to these services:

- Purchase products and evaluation boards
- Order samples
- Order collateral
- Monitor your orders
- Maintain your account

You may also request access to additional information through the [Services](#) section or through your Customer Service Representative:

- Intellectual property
- Design Kits
- Customer Orders

[Registration Guidelines](#)

- Click on the “Register” button either on the MyON Login page or on the pop up

- Fill in optional information if needed, then click Submit

Registration Submitted

Thank you for registering with ON Semiconductor.

An email has been sent to lg339hg@onsemi.com so that we may confirm your information. To activate your account, you need to reply to the email. (Check your email now to complete the registration!)

We have captured the following information and will add this to your records.

Registration Data	
* Country	UNITED STATES
* First Name	Test
* Last Name	Test
* Email Address	lg339hg@onsemi.com
* Login User ID	test0104
* Company Name	ON Semiconductor
* Job Title	Engineering
* Phone Number	602-266-4700
* Primary End Market	Automotive
* Friendly Address Name	Office
* Address Line 1	5000 E McDowell Rd
Address Line 2	
* City	Phoenix
* US State	AZ
* Zip/Postal Code	85008

** Please note that you will have to verify your email address by responding to an email before the registration process is complete and you can execute our online services. Please use your company email address to avoid possible identification problems.

Login now (you will have only a restricted access to your account until you respond to the email).

You may [modify](#) entered information upon login to your account.

Customer Note

A customer service representative will review your registration and may contact you if we need to clarify information to ensure you get access to all free services you are entitled to.

- Once submitted, a confirmation page is displayed with a summary of the registrant's data
- An email will be sent to confirm the registration

ON Semiconductor has identified you as a user of our MyON system (~~not~~ **user**). This email has been sent to you because you need to verify your email address.

Please click the following link (or copy and paste it into your web browser) to verify:

Best Regards, ON Semiconductor

About ON Semiconductor

ON Semiconductor (Nasdaq: ONNN) is a premier supplier of high performance silicon solutions for energy efficient electronics. The company's broad portfolio of power and signal management, logic, discrete and custom devices helps customers efficiently solve their design challenges in [automotive, communications, computing, consumer, industrial, LED lighting, medical, military/aerospace and power applications](#). ON Semiconductor operates a world-class, value-added supply chain and a network of manufacturing facilities, sales offices and design centers in key markets throughout North America, Europe, and the Asia Pacific regions. For more information, visit <http://www.onsemi.com>.
