

TO: Valued Customers and Channel Partners of Fairchild Semiconductor
SUBJ: ON Semiconductor to Integrate Fairchild Semiconductor

DATE: June 30, 2017

Dear Customer,

ON Semiconductor acquired Fairchild Semiconductor in September 2016. Integration of the business will be completed on Monday, October 30, 2017. At that time, Fairchild Semiconductor order fulfillment processes and systems will be replaced by existing ON Semiconductor practices and procedures. The changes to be implemented will directly impact continuing business operations and relationships with all Direct and Channel Partners for Fairchild Semiconductor.

ON Semiconductor's customer-facing teams – including our sales force, quality service staff, customer service representatives, distribution channel teams, and supply chain managers – will work closely with you to ensure a smooth transition; providing timely answers to any questions as well as supporting continued uninterrupted product delivery.

For your convenience, details regarding the changes to specific business processes and systems can be found online at <http://www.onsemi.com/fairchild>.

The changes we are specifically asking you to prepare for include alterations to the following processes:

Invoicing and Remittance

Shipping: Packaging & Labeling

Purchase Orders/Vendor Code

Returns: for Credit/Replacement and Failure Analysis

Current customers and distributors of Fairchild Semiconductor products can expect to be contacted by their Sales Account Manager or Customer Service Representative to finalize this business transition. If you have any questions, please contact your local sales office or email Fairchild_questions@onsemi.com
