| <b>Description and Purpose:</b><br><br><p>On Semiconductor acquired Fairchild Semiconductor on September 19th, 2016. As part of the integration, ON Semiconductor is replacing the "Fairchild" Logo on the product marking of the former Fairchild product portfolio with the ON Semiconductor Logo. For Molded Packaged parts, the "FAIRCHILD" name may be removed over time (part depending). The rest of the marking will not change.</p> <table border="1" style="width: 100%;"> <thead> <tr> <th></th> <th>Standard Package Parts</th> <th>Molded Packaged Parts</th> </tr> </thead> <tbody> <tr> <td>Example of current marking with Fairchild logo.</td> <td></td> <td></td> </tr> <tr> <td>Example of marking after the change, with logo replaced by On Semiconductor logo.</td> <td></td> <td></td> </tr> <tr> <td>For Molded Packaged parts, the "FAIRCHILD" name may be removed over time (part depending).</td> <td>n/a</td> <td></td> </tr> </tbody> </table> <p>This change will be effective around system integration, which is currently scheduled for Monday, October 30th, 2017. This means that you can start receiving parts with the new logo after October 30th, 2017, depending on inventories availability.</p> <p>If customers have questions regarding the system integration, please email the questions to &lt;Fairchild_questions@onsemi.com&gt;</p> |                                                                                                                                                                                |                       |  |  | Standard Package Parts | Molded Packaged Parts | Example of current marking with Fairchild logo. |  |  | Example of marking after the change, with logo replaced by On Semiconductor logo. |  |  | For Molded Packaged parts, the "FAIRCHILD" name may be removed over time (part depending). | n/a |  |
