**Description and Purpose:**

ON Semiconductor acquired Fairchild Semiconductor on September 19th, 2016. As part of the integration, ON Semiconductor is replacing the “Fairchild” logo on the product marking of the former Fairchild product portfolio by the ON Semiconductor logo. For Molded Packaged parts, the “FAIRCHILD” name may be removed over time (part depending). The rest of the marking will not change.

	Standard Package Parts	Molded Packaged Parts
Example of current marking with Fairchild logo.		
Example of marking after the change, with logo replaced by On Semiconductor logo.		
For Molded Packaged parts, the “FAIRCHILD” name may be removed over time (part depending).	n/a	

This change will be effective around system integration, which is currently scheduled for Monday, October 30th, 2017. This means that you can start receiving parts with the new logo after October 30th, 2017, depending on inventories availability. Packaging and Labeling will be changing to the ON Semiconductor standard guidelines. To review the document outlining these guidelines, please visit <http://www.onsemi.com/fairchild>. The Packaging and Labeling change will be

effective on October 30th, 2017.

If customers have questions regarding the system integration please email the questions to [Fairchild\\_questions@onsemi.com](mailto:Fairchild_questions@onsemi.com).

**List of Affected Part(s):**

This is a General Announcement. General Announcements do not contain a specific list of affected devices. ON Semiconductor uses these announcements when all or no devices are affected.
